

GARDEN OF FORGIVENESS

BY EMILY, LUCY, MADISON, AVA, VIOLET AND MADDIE

WELCOME TO OUR GARDEN OF FORGIVENESS!

Hello and welcome to our Garden of Forgiveness!

Our Garden will take you through 5 different activities where you can go to reflect and seek inner peace.

It is a haven for those people who would like a place to reconcile with God, or with their family and friends and the 5 activities help you to do so!

COLD WATER SWIM

When you dive into the water, let it wash over you and begin to wash away your sins. Here you can think about what you have done and how to make amends for it.

SENSORY AREA

Here in the sensory area is a bamboo hut where you can calmly repent either on your own or with others. You can reflect on what you have done in the second part on your journey to forgiveness.

REFLECTION CENTRE

Welcome to the reflection centre!
Here is a calm place to think more
calmly and more deeply about
your sins and it gives you a
chance to repent your sins with
God and with your family and
friends.

CLEANSE YOUR SOUL

Here you can quietly tell you sins to a leaf, tell it everything and throw it into the river and it will float away. If you have a larger sin, you can use a sin rock. The rock and the leaf will be washed clean and your sins along with it but they will both stay in the water. It leaves a lasting effect on you and you will never forget your sins but you don't have to carry such a heavy weight around now.

WATERFALL MEDITATION

Welcome to your final stage in your journey to forgiveness! Here you can quietly reflect on everything you have done, past and present, to help guide you to God and his forgiveness.
